ALCHEMY OF NATURE  
HANDCRAFTED  
CONTEMPORARY AND TRADITIONAL

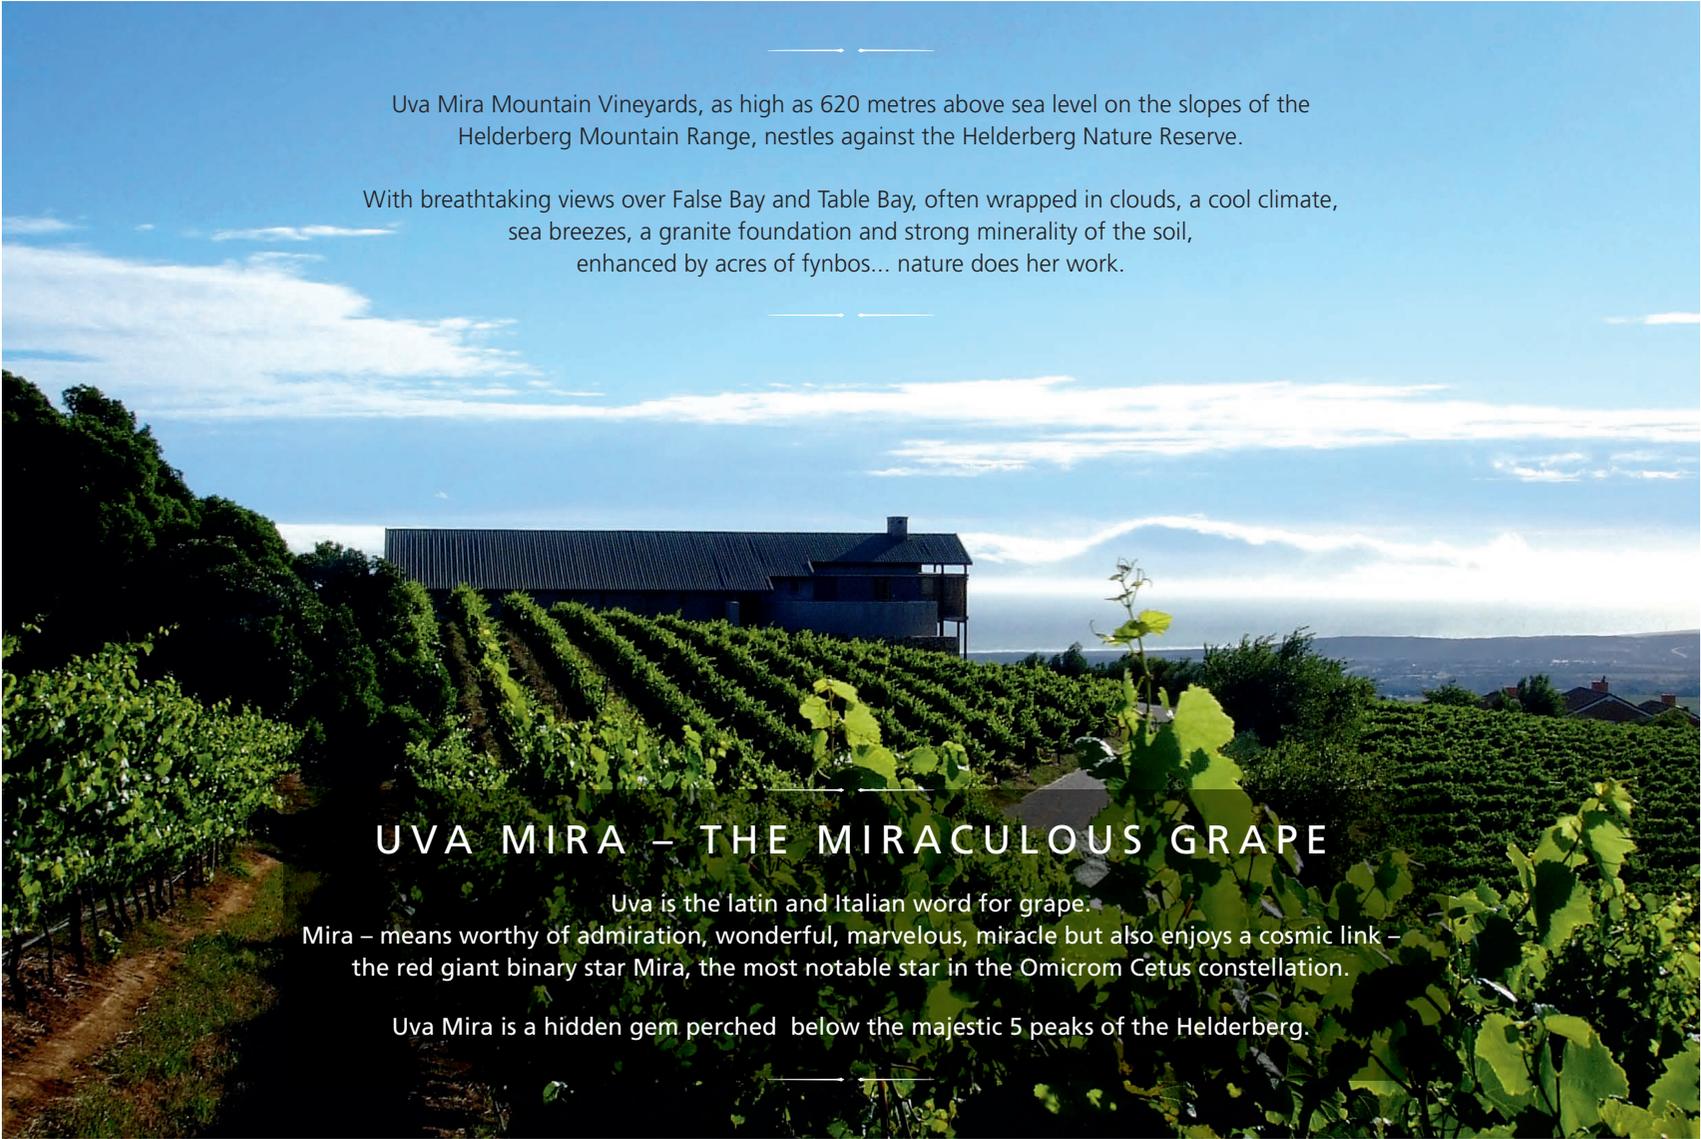

— —

---

Uva Mira Mountain Vineyards, as high as 620 metres above sea level on the slopes of the Helderberg Mountain Range, nestles against the Helderberg Nature Reserve.

With breathtaking views over False Bay and Table Bay, often wrapped in clouds, a cool climate, sea breezes, a granite foundation and strong minerality of the soil, enhanced by acres of fynbos... nature does her work.

## UVA MIRA – THE MIRACULOUS GRAPE

Uva is the Latin and Italian word for grape.

Mira – means worthy of admiration, wonderful, marvelous, miracle but also enjoys a cosmic link – the red giant binary star Mira, the most notable star in the Omicron Cetus constellation.

Uva Mira is a hidden gem perched below the majestic 5 peaks of the Helderberg.

## OUR WINEMAKING

A blend of contemporary and traditional viticultural techniques.

Simplicity. Elegance. Ease.

Handcrafted, minimal intervention.

"I am excited about the opportunity to work with such a unique and complex terroir.

I look forward to communicating its story through our wines."

*Christiaan Coetzee,  
Winemaker*

"Great wines taste like they come from somewhere. You can't fake somewhere-ness. You can't manufacture it... but when you taste a wine that has it, you know."

*Matt Kramer,  
Making Sense of Wine*

## — THE UVA MIRA ICON RANGE —

A collection of extremely limited quantities for the wine collector and connoisseur who understand the niche qualities of varietals blended with excellence and appreciate the full potential of careful cellaring

### UVA MIRA CHARDONNAY 2013

Zesty lime and effortless minerality on the nose. An intense expression of pure fruit with balanced structure, fine acidity and a creamy textured finish.

*The Uva Mira Chardonnay has been matured in 65 % new French oak for nine months.*

### UVA MIRA O.T.V. 2013

### UVA MIRA CABERNET FRANC 2013

Available from October 2015.

## — THE NINES RANGE —

The concept of mineral purity draws on a story of wonderful pure minerals in the soils of the farm. Four nines denotes a mineral as close to pure as you will get, referring to the four nines in the percentage 99.99%

### THE SINGLE TREE CHARDONNAY 2013

Fresh bursts of peach and light spice delicately paired with layers of caramelised macadamia and butterscotch. Creamy complexity complemented by well-integrated oak and elegant mineral notes.

*The Single Tree Chardonnay has been matured in 80 % new French oak for nine months.*

### THE SING-A-WING SAUVIGNON BLANC 2014

Elegant fruit concentration with delicate minerality and flavours of tropical fruit, lemongrass and citrus blossom that follow through seamlessly from the nose. Refreshing acidity and a long, dry finish.

### D.W. SYRAH 2013

Available from October 2015.

## — THE MIRA SERIES —

Technical accuracy is the foundation of this collection: 5 classic varietals which reflect a true sense of place and  
The cosmic enormity of the Mira binary star in the Omnicrom Cetus constellation

### THE MIRA SAUVIGNON BLANC 2014

Luscious passion fruit and white  
peach blossom with lingering  
green notes balanced  
with refreshing acidity and  
a citrus finish.

— UVA MIRA CELLAR SELECTION —

UVA MIRA  
SAUVIGNON BLANC  
2013

The creamy texture is beautifully balanced with linear acidity. Notes of passion fruit and gooseberry with a hint of lemongrass make this wine a delectable treat.

UVA MIRA  
MERLOT CABERNET  
2009

Perfectly ripe berry flavours complemented by integrated oak and earthy tones. Light violet and savoury notes emphasise the velvety tannins and succulent finish of this easy drinking wine.

UVA MIRA  
RED BLEND  
2009

Bold servings of ripe red fruit complement the fragrant spices of aniseed and tobacco leaf. Layers of earthy notes and elegant tannins add character to this full-bodied wine.
